ECMP
EUROPEAN CONGRESS OF MEDICAL PHYSICS

European Congress of Medical Physics

11–14 September 2024 | Munich, Germany

Save the Date

Dear Sir or Madam, Dear colleague,

We welcome all Medical Physicists from Europe and beyond to the **5th European Congress of Medical Physics (ECMP 2024)** organized by the European Federation of Medical Physics (EFOMP) and hosted in association with the Trination Conference of the Medical Physics Societies of Germany, Austria and Switzerland (DGMP, ÖGMP, and SGSMP) from 11 to 14 September 2024 in Munich, Germany.

ECMP 2024 will serve as a forum to foster discussions and reflections on how to change our mindset to adapt to a rapidly varying environment, including the increase of interdisciplinarity and European communication, improvements to our education programs, and further fortifying the bridge between research and clinical practice.

We will address a broad range of topics in seven different tracks on clinical and innovative radiotherapy and imaging techniques, artificial intelligence and radioprotection. Moreover, we will create ample possibilities of exchange with our sister organizations and industrial partners.

Call for Abstracts

Share your latest research and case studies by submitting an abstract and shape the programme of this year's ECMP together with us!

Topics will include clinical and innovative radiotherapy, medical imaging and artificial intelligence, among others. You can already browse the [programme overview](#) for full information on topics and a preliminary programme structure.

ECMP 2024 will be an excellent opportunity to present your findings to a large international audience and get direct feedback from the experts.

Deadline for abstract submission: 1 March 2024

Online-Registration is possible now

Secure your congress ticket and plan your visit to Munich now so as not to miss this outstanding event. Meet, discuss and network with your colleagues, peers and friends and shape the future of medical physics together.

If you register until **30 April 2024** you will benefit from attractive early bird rates!

[Registration](#)

We are looking forward to your contribution and to welcoming you in Munich!

With best regards,

Yolanda Prezado, Ph. D.
ECMP 2024 president

Katia Parodi, Ph. D.
Trination congress president
